RULES OF CONDUCT ESTABLISHED BY THE AFRICAN MONARCH HOME OWNERS ASSOCIATION

1. INTRODUCTION

African Monarch is a unique development. It is firstly a wildlife reserve, bird sanctuary and then a lifestyle estate. The Home Owner's Association has developed the following Rules of Conduct to preserve and enhance the security, wild life, aesthetics, environment and lifestyle of the estate.

On behalf of the Board of Directors of the African Monarch Home Owners Association ("the HOA") we would like to welcome you to the African Monarch ("the Estate"). We wish you a happy and carefree stay in the Estate. We expect all our residents, visitors and contractors to work towards thoughtfulness, tolerance and cooperation so that everyone's stay here will be relaxed and peaceful.

These rules must be applied in conjunction with the African Monarch Building Contractors rules and African Monarch Architectural design rules that can be found on the African Monarch website: www.africanmonarchestate.co.za.

The prime objective of these rules and regulations are to preserve and enhance the security, aesthetics and environment of the Estate. The rules have been established by the HOA. They are binding upon all occupants of the Estate, as is any decision taken by the Board of Directors interpreting these rules.

The registered owners of the properties at the Estate are responsible to ensure that members of their families, their tenants, visitors, friends and employees abide by these rules.

Harmonious community living is achieved when residents use and enjoy their private property and the public areas of the Estate reasonably. General consideration of all residents by and for each other will greatly assist in assuring harmonious relations in the Estate.

In the event of annoyance or complaints, the parties involved should attempt as far as possible to settle the matter between themselves, exercising tolerance and consideration. When a problem cannot be resolved, the matter should be brought to the attention of the Board of Directors for further recommendation in terms thereof. The Board of Directors, who meets on a regular basis, will entertain written submissions only.

The decision of the Board of Directors is final and binding in respect of the interpretation of these rules.

- The Board of Directors will enforce these rules in accordance with the Articles of Association of the HOA by either taking steps to remedy the breach, legal action or imposing a system of fines or other penalties payable on demand.
- These rules are equally applicable to all residents.
- These rules may be supplemented/amended/repealed by a majority decision taken by the members of the HOA, in terms of Article 28.9 of the Articles of Association.
